

INTRODUCING

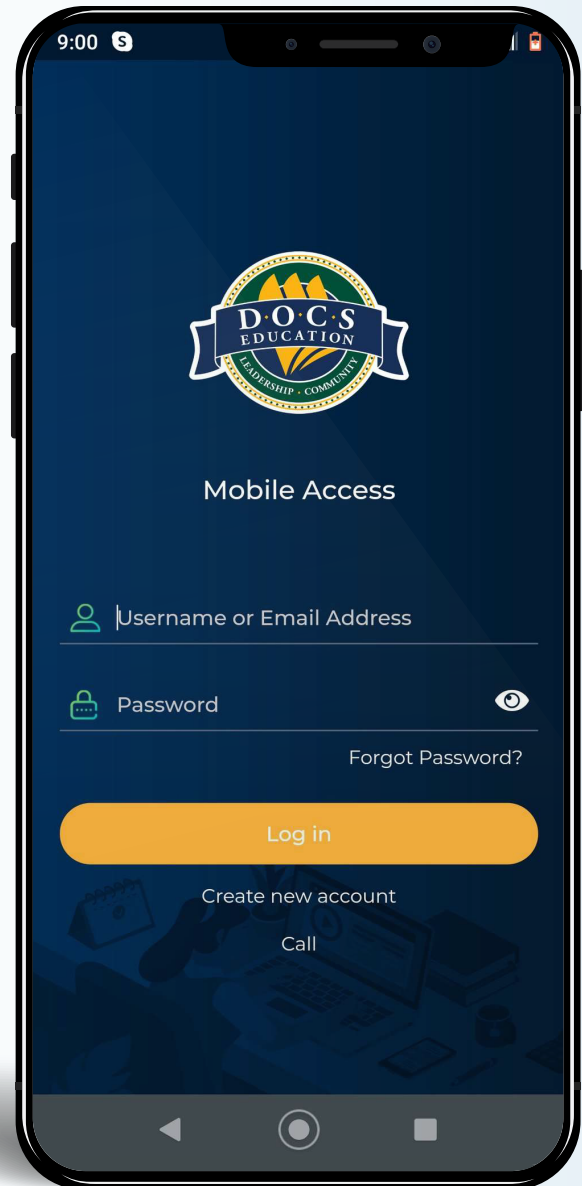

THE DOCS EDUCATION MOBILE APP

ALL YOUR MEMBERSHIP
BENEFITS (& MORE!) RIGHT AT
YOUR FINGERTIPS

DOCS Education is thrilled to announce the launch of our new mobile application, available on both iOS and Android devices. This little powerhouse of information, complimentary CEs, and interactive communication is available for download on the Apple Store or Google Play—just search for “DOCS Education.”

Think of this app as your new “Dental Passport.” It’s designed to let you conveniently access dozens of DOCS benefits right on your phone—and navigation is designed to be intuitive.

Stay up to date with the latest news, stream CE videos, download educational resources, contact us with a single click “Call Us” button, and more. DOCS Members can also use the app to conveniently register for upcoming courses or renew their DOCS Membership.

HERE ARE JUST A FEW HIGHLIGHTS OF THE APP:

Regulatory Support: Access to DOCS' Regulatory Counsel for all your compliance and regulatory questions via an email link.

Education: Download and watch your classes and lectures at your convenience (even offline!) This includes our new 2020 Study in Place™ webinar series.

Promotional Video for Your Website: We Believe in Smiles™. Get the code and send it to your web developer so you can include this great patient-targeted video on your site!

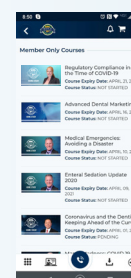

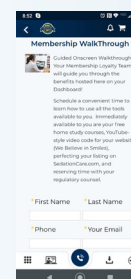

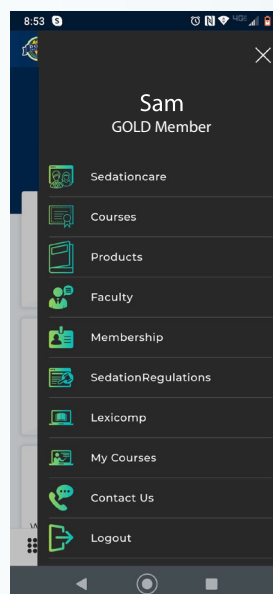

Clinical Resources: Easily download tools, form templates, and other resources you need to run efficiently and cover your clinical bases.

Business and Marketing Tools: Simple tools, content, and letters to launch, manage and market your sedation practice.

DOWNLOAD YOUR NEW DENTAL PASSPORT & START EXPLORING YOUR NEW DIGITAL WORLD TODAY.

Implementation Guides: Step-by-step guides to support your team's sedation implementation. Even if you've been doing sedation for a while, you'll find valuable tips in here!

On-Call Coaching: With the touch of a single button, you can contact DOCS when you have a patient in the chair and need some real-time advice.

EliteDOCS/Faculty Access: 24/7 access through the forum to Faculty and members of the DOCS community to help you get informed answers to your most pressing questions.

Incisor: Enjoy instant access to the most well-researched and informative, APEX-award-winning dental journal on the web.

We will continue adding features in the months ahead. So, stay tuned!

Whether you are new to sedation dentistry or have been practicing it for many years, DOCS Membership provides you with tools to expand your practice and gives you peace of mind.
